Council "shocked and disappointed"

SCHOOL NAME FIGHT

Altona Council will fight the Education Department over its decision to name Altona's third proposed high school, Paisley High.

Following a letter from the Minister of Education, council last week decided to appeal to the Minister of Lands, who has jurisdiction of the Place Names Committee.

Council wants to rename the school Altona East High School.

The proposed school will probably be located on 15 acres of the SEC briquette depot site, near Blenheim Road, Altona North. The site is two miles from Paisley Station.

In his letter to council, the Minister of Education, Mr. Thompson, said it was not proposed to change the school's name as this was considered the prerogative of the Paisley High School Advisory Council when it was established.

Mr. Thompson was commenting on a three-page submission that council had made to the Place Names Committee, regarding the school name.

He suggested that council contact the principal of the new school early in the next school year.

"ALTOGETHER WRONG"

Reporting to council, Town Clerk, Mr. Jim Waters said: "This letter comes as a shock no doubt. It seems altogether wrong that one should allow a new high school with a doubtful name to be called Paisley High School."

Mr. Waters said the same thing had happened 10 years ago when the technical school in Millers Rd., Altona North, was called Paisley Technical School.

"All books and documents had to be ordered well in advance and they all had the name 'Paisley Technical School' on them before the name 'Altona North' came into common usage," Mr. Waters said.

Cr. Pat Burns opened council's attack on the Education Department's decision. "I feel we should go against this and speak to the Minister of Education," he said. "We would express our views to the Minister and explain how we are shocked and disappointed. I want to see a letter to the Minister complaining of this."

Cr. Charlie Carlsson said: "The Town Clerk's comments are deep and we should be able to present a good case. Why should the school be called Paisley?"

Cr. Doug Grant said the Minister had indicated that he was favorable of Brooklyn West State School being renamed Altona Gate. "He is being inconsistent, isn't he?" said Cr. Grant.

After discussion, council agreed to write to the Minister of Lands and send a copy of the letter to the Minister of Education.

STAR GAZE

Ex Seaholme drummer, Wayne Ford who now lives in Newport with his wife Pat, has reformed The Warehouse. Formerly a pop group, the Warehouse is now a five-piece cabaret group and available for bookings. Wayne was originally the drummer with well known Altona group, the Brown-Eyed Handsome Jam.

Laverton residents may notice a few changes to the air base in the near future. The Federal Government last week announced plans of a \$6 million face lift for the base.

Mayor of Altona, Cr. Pat. Lynch was somewhat disillusioned about the fact that only about 25 people turned up at a recent meeting to discuss the raising of funds for Altona North High's assembly hall.

Getting married this month are Don Nicholls of Queen St. and Christine Heyen of Cobham St.

Apparently we were under a misapprehension about the "Who's Who?" publication prepared by Altona Council. The information in it can be obtained by phoning the Civic Offices but the pamphlet itself is not for open distribution. A copy is on display, however, at Altona Library.

Once again Cr. Ray Richards is getting all enthusiastic about the Statewide Little Athletics' relayathon which will be held at all centres on Saturday, November 20.

At last week's council meeting Cr. Ray Richards urged local people to support the relayathon which will raise funds for the Royal Children's Hospital. This year the little athletics will run for only six hours as against twelve hours last year when the Sunshine Centre broke the world record. Altona's athletes will run at Grant Reserve.

Council calls for stables report

Altona Council has asked three of its officers to report on the trotting stables on the corner of Seves St. and Queen St.

The stables were the subject of a petition to council last week by 12 angry residents.

Cr. Harry Weaver moved that the petition urging council to "abate a health hazard", be accepted and that the health inspector, building surveyor and town clerk all present reports on the matter.

In their petition, the residents, who all live

near the stables, claimed that smell and flies coming from the property were obnoxious and a danger to their health.

Under By-Law 41, which became effective in Altona in March, no person is allowed to keep any horse or animal within 40 ft. of a dwelling or within an area of less than one acre without written permission from council.

In a report he made to council before he went on leave, Town Clerk, Mr. Jim Waters said the trotting stables had been in Altona for some time and had been repaired recently.

ROADWORTHY TESTS

COUNCIL MAY SPONSOR DRIVING SCHOOL

Altona Council may become the first Victorian local government body to sponsor a driver education school for teenagers and students.

At last Tuesday night's council meeting, Cr. Les Crofts successfully moved that council approach car manufacturers and the police to find out if they would co-operate with a council-sponsored driver education scheme for young people.

After talks with the police, council may set aside a piece of land suitable for such a centre which could be used for films, and lectures as well as practical lessons in driver education.

It is council's intention that such a scheme be aimed at teenagers and pre-licence drivers.

"As a council we are obligated to do our part in reducing Victoria's terrible road toll," said Cr. Crofts.

"Far too many young people are dying on the roads. I believe that if council approached some of the car manufacturers we would have no trouble getting a car for such a centre and possibly cut-away models, that could be used for certain lessons."

"A driver education centre would help to increase the young driver's knowledge of road laws and driving ability," said Cr. Crofts.

The motion by Cr. Crofts was seconded by Cr. Bill Sommers.

Disappearance at Smorgon's

A North Altona man has appeared in the Footscray Magistrates court in connection with the disappearance of a large sum of money from Smorgon's meatworks.

John Adam Adamic, aged 35, was a foreman at the Smorgon's factory.

The amount of money involved in the charges is in excess of \$30,000.

Adamic has been charged with falsification of accounts, forgery, uttering, numerous charges of false pretences.

When he appeared at Footscray court he was remanded to a further appearance on November 18.

The magistrate set bail for Adamic at \$1000.

YOUNG WRITERS' AWARD

An encouragement award is being offered for two writers, aged 26 years and under.

Submission requirements are a sample of the author's writing not exceeding 1000 words and a synopsis of a project in the writer's chosen field.

The date of proposed completion should be enclosed with the entry.

Thirty per cent. of the award will be withheld until the finished manuscript is submitted to the committee.

Previous publication is not a bar to entry and the date of submission is December 31, 1971.

The award is given by Shell Co. of Australia Ltd., Ford Motor Co. of Australia Ltd., Broken Hill Pty. Ltd. and Repco Ltd.

For application forms, write to J. S. Hamilton, Flat 1, 317 Barkers Road, Kew and enclose a stamped, addressed envelope.

The judges will be looking for the promise of imagination in a work of potentially sustained merit.

JUNIOR SOCCER FINALS ON

Next week will see the finals of the Altona Primary School soccer competition played on the H. C. Kim Reserve.

After the games their will be a trophy presentation and a party for the youngsters.

The results of this week's games are as follows:

In the first game of the day St. Mary's 5 defeated Seaholme 3.

A good game to watch, St. Mary's had the edge with speed on their forward line.

St. Mary's notched a quick two before Seaholme recovered their momentum.

In the second half Seaholme equalled their score and passed it with three goals.

St. Mary's answered and broke away to score the remaining three goals.

In the second game Altona East 4 defeated Brooklyn nil.

In the first section of the game only good goal keeping by East kept Brooklyn goalless.

They managed to score one

by a narrow margin late in the second half.

In the second half they regained their former strength and banged home the extra three to give them a complete victory.

In the third game Brooklyn West 3 defeated Altona West 1.

A close game despite the scores.

Both teams relied heavily on their defences. Eventually however Brooklyn got the upper hand and scored off three defensive errors by Altona West.

In the final game of the day Altona North used the game as a practice match scoring each of their goals easily.

Had it not been for the Altona goalkeeper's brave defence the score might have been doubled.

BLOCK ENDS CHASE

Altona police chased an offender in a stolen Ford Capri from Altona to Laverton and back last week.

The man is believed to be involved in the robbery of four guitars from an Altona music store.

The car was followed at breakneck speeds, and the offender was finally stopped by a roadblock as he was returning from Laverton.

He has since been charged with several offences.

Hello Girls,

Amcal Chemists have come up with an idea that will be of great value to you. And with gift giving time fast approaching, it is certainly worth asking us for all particulars about this.

Yes — Gift Vouchers.

Vouchers to the value of \$1, \$2 or \$5—or multiples of.

Your Gift Voucher may be exchanged at ANY Amcal Pharmacy for articles of their own choice.

You know what wonderful gifts we Amcal Chemists stock — how you do all your Christmas gift buying with us! Make your choosing simpler—give a Gift Voucher and let your friends choose for themselves.

Now why haven't Coty thought of it before — a mascara and eyeliner all in one.

A creamy thickening, coloring mascara for your lashes — and on the other end a fine line brush and matching one stroke eye-liner.

When buying face makeup right now — think of the coming of summer — and how with the wearing of less clothing — how white skin will appear.

Cheat a little — with Sheer Foam Bronzer — a perfect looking tan. Float it onto your skin, face and neck — for a summer look. Choose from light, medium or dark tone.

For your legs and arms — Ultra Leg. An aerosol makeup to cover up that pale, faded, last summer coloring.

When dry it can be buffed up to give a desirable gleam to your moisturised skin.

Remember Girls the end of October is the last chance to review your H.B.A. and H.S.A. contributions.

Not sure? Bring your book in and we'll correct it for you. Before the end of October.

Bye.

HERBERT'S PHARMACY
76 Pier St., Altona — 398 2880

A number of residents in Marigold Avenue and Cyclamen Avenue, Altona North have complained to Altona Council about meatworks employees staging drag races in their streets every lunch hour.

Council has notified the Police Superintendent at Flemington of the complaint, which was brought to light last week, by Cr. Bill Sommers.

Cr. Sommers said he had been approached by residents who told him employees from nearby meatworks often drove up their streets between 12 midday and 12.30 p.m. and after 3 p.m. each day.

The residents claimed that the employees had drag races in their cars, driving up and down the streets at high speeds. They were a danger to the young children in the area.

The same residents claimed that when they approached police on the matter they were told that the police could take no action until somebody was hurt.

Mayor, Cr. Pat Lynch said the complaint sounded like a police matter to him. "I know there are problems in that area," said Cr. Lynch. "especially in view of all the sheep transports that are using Blackshaws Road."

Cr. Sommers moved that council write to Kingsville Police about the matter and Cr. Ray Richards added that it might be an idea to write also to the meatworks. The latter suggestion was opposed by Cr. Pat Burns and Cr. Richards withdrew it.

At the recommendation of Cr. Les Crofts, Cr. Sommers amended his motion and council agreed to write to the Police Superintendent at Flemington instead of Kingsville Police.

GRATEFUL RESIDENT

Altona Council has received a letter from Blyth St. resident, Mrs. Vera Wells, thanking council for recent beautification work on Den Dulk Park, Altona West.

Mrs. Wells said she wished to thank councillors, planning staff and gardening staff for the plantation of trees in the park and in the area in front of her home.

"I think the rockery around the SEC pole is a wonderful idea which takes away some of the ugliness of this necessary evil," said Mrs. Wells.

"If I am not too demanding, I would love to see it planted with a bright flowering ground covering type of plant".

Mrs. Wells said that other residents in Blyth Street had expressed the wish for SEC poles in front of their homes to be given the same treatment.

The conference will be officially opened by the Minister for Local Government, Mr. Hunt.

WALKATHON

A date to keep in mind is Friday, December 3, when the Altona Hospital walkathon will be held.

RAFFLE

Altona Council has granted permission to the Melbourne Ladies' Welfare Society to sell raffle tickets for welfare funds, in Pier St. on Thursday, October 21 (tomorrow) and Thursday, October 28.

CLOCKS WILL STOP

Altona's town clock, council's master clock and subsidiary clocks will stop for 11 hours this month to facilitate the switch over to daylight saving.

Daylight saving in Victoria will commence on October 31. Council's master clock will be stopped at midnight on Saturday, October 30 and the hall-keeper will return at midday next day (11 hours later) to start the clocks.

PUT ON A LIGHT

Altona Police are concerned about the increasing number of young children who are riding their bi-

cycles at night, without lighting. They urge parents to ensure that their children have proper

lighting on their bicycles if they must ride at night.

"They could also make sure that the bicycles have good brakes and are in good working order," Constable Neville Little told The Star this week.

"Far too many young children on bikes are being knocked down by cars," he said.

Constable Little said that many of the offenders in Altona were young paper boys.

Altona men at Apex meeting

Altona Apexians attended the 1971 Apex Zone convention.

It was held under the auspices of the Jardw Horsham Apex Club, at Horsham.

A total of 423 Apexians and wives attended.

The Altona representatives were David Finn,

George Killingback, Jim Donnar, Rick Anthony, Bill Proffitt, Jack Carroll, Alan Winfield, Roy Pearce and Andy Jachno.

Altona's official delegate was president David Finn and Rick Anthony was the unofficial delegate.

Interesting points on the agenda included a resolution that all Apex clubs press all State Governments to legislate for the compulsory registration for all firearms.

Also that all users must be licensed and that a licence be presented before the purchase of any firearm.

Also recommended was the sponsoring of a free diabetic screening test as a community service.

It was decided that the association of Apex clubs make representation to the Commonwealth Health Minister to place submissions before him for a national health scheme.

ART SHOW SUCCESS

Altona Beta Sigma Phi's fifth annual art exhibition was a great success last week.

Much interest was shown by visitors in local and interstate artists. Over 600 children came to the Civic Centre to see the display.

A feature of interest for district people was a collection of drawings depicting old Altona by Mrs. V. Wells of Blyth Street.

The exhibition was opened by Miss Mary McCarthy, who is assistant curator of the Australian section of the National Gallery.

Miss McCarthy praised the standard of work by local artists.

The Mayor and Mayor-elect, Cr. and Mrs. Lynch were present at the opening ceremony, together with the president of Beta Sigma Phi, Mrs. Ida Johns.

The work of local children was much admired. Proceeds of the exhibition will be divided between the Melbourne Ladies' Welfare Society and Little David Street Spastic Centre.

The petition, with 596 signatures, was read out at last week's council meeting by the Mayor of Altona, Cr. Pat Lynch.

PETITION FROM STUDENTS

Altona Council has received a petition from Altona High School students protesting against pollution they claim exists in the city.

In the petition they draw attention to the Romawi St. drain and air pollution and noise that they claim comes from a certain company.

The petition, with 596 signatures, was read out at last week's council meeting by the Mayor of Altona, Cr. Pat Lynch.

The Mayor and Mayor-elect, Cr. and Mrs. Lynch were present at the opening ceremony, together with the president of Beta Sigma Phi, Mrs. Ida Johns.

Five years ago, Phillip Pearce, formerly of Curlew Ave., lost his brand new Hallmark sports bicycle when it was stolen from outside Altona Library.

Last week, to his surprise, the bicycle was returned to him by Werribee police. It was found abandoned in Werribee in July and police traced it back to Phillip who now resides in Somers Parade.

Originally a gift from his parents, the cycle, which cost \$80, now has only sentimental value to offer Phillip. It is sadly in need of repair, and Phillip, a married man, uses a car now.

Police found the cycle in Sayers Avenue, Werribee.

JARRING

Jars were the topic of conversation for the second meeting in succession, at Altona Council chambers last week. But this time town clerk, Mr. Jim Waters, was not handing out preserves — he was on leave.

Instead, Cr. Harry Weaver was doing what he termed "Matt Harris" and biting into Cr. Doug Grant's environment improvement portfolio.

He had with him three jars. One jar contained oil impregnated paper, another oil impregnated grass and the third jar, water containing an oily substance.

"I took these samples from a drain which enters Cherry Creek, which in turn enters Cherry Lakes," said Cr. Weaver.

"I am going to pass them on to our health inspector. This matter must be looked into. Here is a bad example of a small company polluting one end of our lake, while we endeavor to clean up the other end."

"We should look into this matter with a view to prosecution," said Cr. Weaver.

Later in the evening, Cr. Grant took the opportunity to bite into Cr. Weaver's public relations

portfolio when he handed to him a copy of a publication promoting South Melbourne. "This may help you," said Cr. Grant.

But Cr. Weaver was not swayed. "Thanks, I already have a copy," he said. "You can have one of my jars if you like."

GROUP'S GEAR GOES

Local pop group, the Adam Set, lost \$400 worth of equipment last Friday when a public address system was stolen from a van owned by Mr. Bernard Kennedy, of 161 Queen Street.

Thieves forced a vent window of the locked vehicle which was parked outside Mr. Kennedy's flat.

The equipment stolen comprised speakers, mic-

rophones and stands, a public address amplifier, a microphone mixer and a junction box.

Mr. Kennedy is a member of the Adam Set, who play regularly at the Central Hotel, Altona North, and at a hotel in Werribee.

Constable Neville Little, of Altona police, is investigating the theft which occurred early last Friday morning.

ALTONA RATE LOWEST

Altona residents paid lower rates than their neighbors in the five other western suburb municipalities last year.

A recent check by Altona council staff showed that the current rates applicable to the western suburbs for the year ending September, 1971 (in order of municipality, revenue, rate NAV) were:

Altona, \$1,113,000, 12.5 cents in the dollar; Footscray, 15.0; Melton, \$289,000, 13.0 (9.0 in rural areas); Sunshine, \$2,250,000, 13.0; Werribee, 13.0 (9.0 in rural areas); Williamstown, \$823,000, 16.0.

PIGEON RESULTS

Results of the race held by Altona Pigeon Club last week are:

Morgan, 400 miles from South Australia; C. Cooper 1494 ypm, 1. R. Mizzi 1474 2, W. Haigh & Son 1470 3, L. Russell and Son 1469 4.

Babies without tears

The birth of her first baby should be something for a young woman to look forward to.

But many mothers-to-be dread the experience.

Some have friends, who have gone through a difficult confinement, which they exaggerated in terrifying detail.

Those who don't know what to expect are more frightened still.

Others remember some old wives' tales and as the day draws closer, their fear changes to panic.

And an anxious, tense mother doesn't make childbirth any easier.

The president of the Childbirth Education Association, Mrs. Noelle Oak, feels most women would benefit by attending lectures and film nights organised by the association.

She said the expectant mother is shown how her body works and she is trained to take an active part in delivery.

Mrs. Valerie Green, of Victoria Street, North Williamstown, who is a member of the association, had a professional interest in the natural childbirth method.

Mrs. Green, who is a physiotherapist, has four children. She had two children before she heard about natural childbirth and decided to try this method.

"It's a thrilling experience, I would personally recommend it to anybody," she said.

"Natural childbirth means playing a conscious part by controlled breathing," she added.

"I requested that no drugs were to be used unless I needed it," she said.

"Doing without drugs is better for baby."

By Mariann Byron

reduced and there is less chance of damage to the baby.

"Knowledge itself keeps fear away, while tension increases pain."

"I found the hospital staff co-operative when my two babies were born with this method."

"It is recommended for a normal birth. When complications arise, drugs are still used."

Mrs. Audrey Potts, of Bracken Street, Altona, read about "psychoprophylaxis," which is another name for painless childbirth in a national women's magazine.

"I think childbirth with this method is a worthwhile experience."

"I was a bit apprehensive at first, but the more you know about it, the more confident you are."

"It found the film nights especially helpful."

"You do your best to cope, but the drugs are there if you need them."

"Psychoprophylaxis" comes from the word "Psyche" — mind, and "prophylaxis" — prevention.

It refers to the alleviation of pain by concentrated effort.

The method was developed in 1949 by a team of Russian doctors and many of its principles derived from the theory of conditioned reflexes proposed by Pavlov.

If the mother feels that she is unable to cope as her labor progresses, she is encouraged to ask for analgesics, but she will eagerly anticipate the supreme experience of seeing her baby born, and will use them only if needed.

Not automatically and as an essential part of her labor.

As the mother is trained to take an active part in the delivery, her baby can be helped more gently and more quickly into the world.

Obstetricians in several countries where this method is used claim and have figures to show, that the incidence of still-birth is

The confinements of trained mothers are shortened by several hours and have fewer complications.

The Childbirth Education Association of Australia is a group of laypeople administered by a committee and assisted by an advisory panel of doctors, physiotherapists and midwives.

In Victoria alone the Childbirth Education Association has over 400 members.

Husbands are encouraged to help their wives with their training and if possible to be with her during labor to give moral support.

BANK'S MOVE

The Altona branch of the Bank of New South Wales has made a temporary move into the former Ampol service station on the corner of Blyth and Bent streets.

Mr. D. C. Eury, Altona manager of the bank, said that the move was made to enable the bank's present premises in Pier Street to be completely renovated and enlarged.

"With the growth of its business in keeping with the continued development of Altona, the bank's need for additional space to meet the present and future requirements of its customers and increasing staff has become apparent."

"We expect to be about six months in the temporary premises while our present building is being completely altered," Mr. Eury said.

He added that when the renovations were finished the Pier Street property would appear to be a completely different building.

TPI CLUB

Sixty-two members of Footscray, Williamstown and Western Suburbs Totally and Permanently Incapacitated Soldier's Social Club had an enjoyable afternoon on October 7.

Card Winners: Ladies, Mrs. Reeves; gents, Mr. N. Fargher.

Members wish all those ill at home or in hospital a speedy recovery.

Next Card Afternoon: 1.30 p.m. on October 21, in the Manchester Unity Hall, Footscray.

On October 5, 55 members paid a visit to the Ballarat TPI Social Club and with about 50 of the Ballarat members enjoyed the singing of Nancy Ison, Bonny Jarard, Miss D. Aldrick and Mr. A. Le Courtier.

Recitations by Mr. George Rossiter and Miss Sage and piano items by Mrs. Fowler and Miss Belle Sage were popular.

During the last week of September we lost four members—Mrs. Cis Stephen, Mr. Len Gale, Mr. R. McLean and Mr. H. C. McLeod.

Our deepest sympathy goes to their families and relatives.

Members are reminded that a stall will be held outside Maples on October 29.

Goods of all descriptions will be on sale, so roll up and get your Christmas gifts cheap.

SOCCER TROPHY PRESENTATIONS

Werribee Soccer Club filled Centenary Hall to capacity for its annual presentation dinner dance at which the guest of honor was Mr. John Borg, treasurer of the Victorian Soccer Federation.

After an excellent dinner the presentation of trophies then began.

President Mr. G. Staigh, spoke of the fine effort made by the team this year, when they failed to win the league championship by only one point; also of the fact that the team is in the quarter finals of the cup, which will be played on 24 October, 1971 at Kingsville.

Mr. Borg spoke about the increase and popularity of soccer and expressed the opinion that one day Werribee would be one of the top teams in the State, if it advanced at the same rate as it had in the past three years.

Mr. Borg then presented each team member with a trophy.

The best and fairest was won by R. Amato; the leading goal scorer was A. Parker and the best club man chosen by the coach was I. Parker.

In conclusion a presentation was made to John Walker, coach of the club for the excellent work he had done in the past season.

LADIES' BOWLS

One win one loss in the last round of pennant bowls for the Altona Ladies' Bowling Club.

The A team defeated Rosamond Ladies 103-87 in a good match.

Scores for Altona ladies were P. Gisschus 20-28, V. Sevier 26-15, R. Fisher 23-22, J. Douglas 34-22.

32 Altona lost to Glenroy 82-104, in a match which Altona won only one rink.

M. Andress 24-19, A. Carr 18-30, E. Russell 18-23.

Thursday social winners were A. Newton, G. Thornycroft 1, P. Robert and L. Cox.

Pennant roster for October 23 is W. Sutton, and V. Douglas.

The next inter-club day will be on November 4, please make your entries early.

Don't rubbish this runner

There has always been a tendency for motorists to lean out of car windows and offer unnecessary advice to athletes training on roads.

Drivers who live out in the Hoppers Crossing area should resist this temptation if they come across a lean six-footer because it will probably be Foster Bribon, heavyweight champion of Australia.

Foster, who is now a PTI in the RAAF and stationed at Point Cook, has just obtained a house at Hoppers Crossing.

He is currently in training to defend his title against MacNamara in Newcastle late in October.

RARE DECISION BY STEWARD

Mini Modified Chief Steward, Ian Galley declared a 'NO RACE' for the Final of the Mini Modified Grand Prix at the Melbourne Speedway last Saturday night.

In the first race, Tony Hudson of Geelong won comfortably from Geoff Wright with Wilkies in 3rd place, Hudson had taken over the lead with 6 laps to go and had no trouble to win.

The Chief Steward received so many complaints and protests about the event that he made the rare decision of 'No Race'. Following many years of speedway activity as a competitor and as an official, I cannot recall this type of decision before.

Tony Hudson shot the opposition and the complaints to pieces as he scampered away to win the re-run just as he liked. There was no answer to his power packed cornering and lead-footed driving.

Rex McKay booted his fast Holden-powered Speedcar to another double. This means that over the past three weeks McKay has won 6 races in a brilliant burst of form.

The Production Car Racing was packed full of incidents with many cars being sidelined with the tremendous bingles. These were caused mainly by the high speeds now being maintained in this division with 'Hot' motors.

Alan Shaw won the first Production Car Heat in his 6 cylinder Torana from Roy Spooner in his Holden into the minor money.

The second heat was a hectic affair with several stoppages but Marty Van Duyn ran away with the win from John Spies with John Dickinson in 3rd place.

Altona tail collapses

Playing Werribee at home, Altona A grade cricketers won the toss and opened the batting on Saturday.

Ian Hughes and Frank Thomas opened the batting for the A's and put on a very creditable 27 runs before Hughes was bowled for 16.

Bruce Forrester joined Thomas and a further 19 runs were added before Thomas was out caught.

Hansen then came to the crease where he and Forrester settled down to take the score to a very respectable figure of 2/117 before Forrester was out LBW shortly after the tea break.

Page was the next batsman and it looked that he and Hansen would continue to attack the bowlers.

However, good offspin bowling by Werribee saw Hansen, P. Mildenhall, and Page back in the pavilion with the score at 129.

Duff was next to go when he also tried to hit out at the bowling.

Michael looked to have con-

quered the bowling when he was caught with the score at 149. The remaining three batsmen, Dare, Shaw and Stevenson took the final score to 157.

With 30 minutes to stumps, Shaw and Dare opened the attack for Altona and Werribee had to hold out grimly during this period.

Shaw was unlucky not to have taken a wicket in his third over when a very difficult catch was dropped in slips.

At the other end saw Dare bowling excellently against the wind.

Werribee finished 0/11 at stumps.

Detailed Scores: Altona 1st Inns.: Hughes bowled Meilican 16, Thomas caught Larking 20, Forrester lbw Marriott 31, Hansen lbw Comben 48, Page stumped Marriott 11, Mildenhall lbw Marriott 2, Michael caught Cooney 10, Dare caught Comben 9, Shaw n.o. 6, Stephenson caught Marriott 2. Sundries 2. Total 157.

Werribee 1st Inns.: Closter n.o. 4, Swanton n.o. 2, Sundries 5. No wicket for 11.

B GRADE

David Hitchcock redeemed himself in the bowling after being caught for two in Altona's first innings against North Melbourne City at Royal Park on the weekend.

He top scored in the bowling taking a tremendous 5 for 17. He was followed by Duckett and Mick Willet, who took two for 12 and one for none respectively.

C GRADE

Altona, if they can take full advantage of their present situation, should gain outright points for the first time this season when the game against Telegraph resumes next week.

At stumps Altona were 5 for

140 in reply to the first innings total of 46 by Telegraph.

Winning the toss, Altona sent Telegraph in to bat on a wicket, which although wet, was true enough, although inclined to be slow.

The early Telegraph batsmen were tentative and the Altona openers Conradi and Kirk both took advantage of this and with good bowling put Telegraph on the defensive.

Telegraph lost their first wicket at 19 and were eventually all out for 46. Conradi and Kirk bowled throughout the innings and took 4 for 18 and 5 for 26 respectively.

Bibby and Joyce opened the Altona innings and with a defensive field setting found quick runs hard to come by until Joyce got moving and after half an hour Joyce was dismissed for 20 with the score at 24.

Allen joined Bibby in a 19 run partnership to have Altona just 3 runs short of Telegraph's score when Allen was out, caught for 11.

Hosken joined Bibby and after gaining first innings points this pair started to hit out until Hosken was caught for 11.

Bibby at this stage was 25 not out and batting well, Andrew Wilson was unfortunately run out.

Keith Hancock joined Bibby and both really took to the bowling to add 59 runs in 29 minutes.

Bibby was bowled on the last ball of the day for an excellent 61, whilst Hancock remained 29 not out.

Telegraph 1st Innings 46 — Kirk 5 for 26, Conradi 4 for 18.

Altona 1st Innings 5 for 140. Bibby 61, Hancock 29 n.o., Joyce 20.

ASSOCIATION of APEX CLUBS

NATIONAL SCHEMES

Apex began its first national service scheme in 1935 with the decision to provide a truck equipped to service wireless transmitting and receiving sets for the Royal Flying Doctor Service. Further assistance for several years played a significant part in the development of the RFDS.

The supply of free milk to school children was initiated by an Apex club. Other schemes were a campaign for compulsory anti-TB X-ray tests, aboriginal welfare, Guide Dogs for the Blind Training Centre establishment, formation of the Association of Civilian Widows, and "Operation Handclasp", which brought 11,000 migrants to Australia.

In recent years, \$100,000 was raised for the Apex Foundation for Research into Mental Retardation and a further \$120,000 from the 1969 Walk Around Australia has provided the Apex Foundation for Autism.

In the 1970-71 year, the national scheme is "Aid to the Disabled".

(This is the fifth of a series sponsored by this newspaper to assist Apex in the community).
